**Important Notice: Taxes and Surcharges Billing Update**

- As part of the integration of HorizonIQ into Summit's billing platform, certain taxes and regulatory surcharges previously billed on your account were delayed.

**Important Notice: Service Rate Update Effective June 1, 2026**

- Effective June 1, 2026, service rates will increase by 5.4%—our first broad price increase since 2019.
- This adjustment reflects continued increases in the cost of delivering data center services, driven by unprecedented demand for power and data center space.
- HorizonIQ is absorbing a portion of these increased costs to help moderate the adjustment to customers.

**What this means for you:**

- You will receive a separate invoice for taxes and surcharges from April 2026 through June 2026 billing periods.
- Taxes and surcharges will resume as monthly line items from July 2026 going forward.
- Invoices on or after June 1, 2026 will reflect the new pricing.
- No action is needed on your end.

We appreciate your partnership!
