**Important Notice: Service Rate Update Effective June 1, 2026**

- Effective June 1, 2026, service rates will increase by 5.4%—our first broad price increase since 2019.
- This adjustment reflects continued increases in the cost of delivering data center services, driven by unprecedented demand for power and data center space.
- HorizonIQ is absorbing a portion of these increased costs to help moderate the adjustment to customers.

**What this means for you:**

- This invoice is billed at current rates.
- Invoices on or after June 1, 2026 will reflect the new pricing.
- No action is needed on your end.
